Projects

Iponly – Gamified Budget Tracker Web Application

Vue.js, Tailwind CSS, Node.js, Express.js, MongoDB, REST API

- Developed a gamified platform to help college students manage daily expenses interactively.
- Implemented pie charts and bar graphs using Chart.js to visualize user financial data.
- Built RESTful APIs with Node.js and Express to handle frontend-backend data routing.
- Integrated MongoDB for efficient storage and retrieval of user financial records.
- Applied responsive web design principles to ensure usability across multiple screen sizes and devices.
- Implemented JSON Web Tokens (JWT) for secure user authentication and authorization.
- Designed and developed an admin dashboard to manage user accounts and enforce role-based access control.
- Led a team of four using Agile Scrum methodology to plan, track, and deliver project milestones on time.
- Coordinated task delegation based on individual roles and maintained clear communication throughout development.

The Car Garage - Car Rental Web Application

HTML, CSS, JavaScript, PHP, MariaDB

- Developed a responsive car rental web application enabling users to register accounts, browse vehicles, and make rental reservations.
- Implemented full CRUD operations for vehicle listings, user accounts, and rental transactions using PHP.
- Designed and normalized the relational database schema up to Third Normal Form (3NF) to ensure data integrity and minimize redundancy.
- Integrated MariaDB for reliable data storage and efficient query processing.
- Built an admin dashboard to manage users, vehicle listings, and rental records.
- Led a team of four by assigning tasks based on individual responsibilities and coordinating development efforts.
- Maintained consistent communication within the team to ensure smooth project progress and timely completion.

Certifications

- Freecodecamp Legacy Responsive Web Design Certification
- Freecodecamp Back End Development and APIs Certification
- Freecodecamp Legacy JavaScript Algorithms and Data Structures Certification
